Declass Review by NGA

Task Order No. 02

Gentlemen:

Reference is made to your letter dated 1 March 1966 and to the telephone conversation between your [redacted] of this office on 22 March 1966 relative to the projected overrun and status of completion of the subject Task Order.

In reply, you are advised that the Sponsor is willing to accept the equipment in its present state of completion and to reimburse you up to the present maximum amount stated in the Contract of [redacted]

You are not authorized to incur any costs over the above stated amount other than the costs for packing and shipping to the Consignee address stated in the Contract.

Very truly yours,

[redacted]  
Contracting Officer

CONCURRENCE:

*Based upon verbal assurance from [redacted] that this task order [redacted] 24 March 66*  
[redacted]  
Date
